for 2001-2002 amounting to Rs. 34.24 crore, a special assistance of Rs. 18.98 crore has also been released from the NCCF for drought to Government of Himachal Pradesh.

So far as rural drinking water supply is concerned, it is also a State subject. Government of India supplements the efforts of the State by providing financial assistance under the Accelerated Rural Water Supply Programme (ARWSP) and Rural Drinking Water component of Prime Minister's Gramodaya Yojana (PMGY). During 2000-2001, Rs. 53.85 crores under ARWSP and Rs. 30.77 crores under Rural Drinking Water component of PMGY have been released to State Government. During the current financial year i.e. 2001-2002, an allocation of Rs. 55.59 crore has been made under ARWSP including DDP areas out of which Rs. 27.76 crore have been released and under Rural Drinking Water component of PMGY, Rs. 7.91 crore have been allocated out of which Rs. 3.95 crore have been releasd to the Government of Himachal Pradesh.

Further to facilitate the mitigation efforts, in view of the prevailing scarcity of drinking water in rural areas of Himachal Pradesh on account of drought, the priorities fixed in the ARWSP guidelines have ben relaxed by the Government of India to the extent that the funds under ARWSP and Rural Drinking Water component of PMGY could also be utilised for activities relating to repair, rejuvenation, renovation, restoration and replacement of existing rural drinking water schemes in areas affected by scarcity of drinking water in the State.
